Special Session on Biomathematics and Biostatistics

June 11-13, 2009**Beijing, China**

The 3rd International Conference on Bioinformatics and Biomedical Engineering (iCBBE 2009) will be held from June 11th to 13th, 2009 in Beijing, China. iCBBE 2009 will bring together top researchers from Asian Pacific areas, North America, Europe and around the world to exchange research results and address open issues in all aspects of bioinformatics and biomedical engineering. Within iCBBE2009, the special session, biomathematics and biostatistics, invites you to submit papers in all areas of the biomathematics and biostatistics. **As we did in iCBBE 2008 and 2007, all accepted papers in this special session will be published by IEEE and indexed by EI Compendex.**
