

**IEEE****iCBBE*****Call for Papers***

The Special Session on Biomedical Imaging

June 18-20, 2010 Chengdu, China

The 4th International Conference on Bioinformatics and Biomedical Engineering (iCBBE 2010) will be held from June 18th to 20th, 2010 in Chengdu, China. Within iCBBE2010, the special session, Biomedical Imaging, invites you to submit papers in all areas of the Biomedical Imaging. **As we did in the past three years, all accepted papers in this special session will be indexed by Ei Compendex and ISTP.**

§ TOPICS

- ◆ Nuclear medical imaging
- ◆ Ultrasound technology
- ◆ Molecular medical imaging
- ◆ Computer-aided diagnoses
- ◆ Computer-aided observation
- ◆ Surgery simulation / navigation
- ◆ Surface and volume registration
- ◆ Image segmentation and classification
- ◆ Noise reduction and image enhancement
- ◆ Multi-modal image analysis
- ◆ Medical image processing

§ IMPORTANT DATES

- | | |
|----------------------------|------------------|
| ◆ Papers Due: | Dec. 10, 2009 |
| ◆ Acceptance Notification: | Dec. 31, 2009 |
| ◆ Conference: | Jun. 18-20, 2010 |
